It is true that the Completion of Filing Requirements of May 3, 2004, inadvertently authorized charge of the filing fee "... that may be required by this paper" However, payment of the filing fee was not required by that Completion paper that made the contrary or, at least, alternative payment of the Processing and Retention fee. Therefore, the inadvertence authorized no fee charge in this case.

Refund to deposit account 12-0425 of \$770.00 is, therefore, required.

Respectfully submitted,
